Classic RetroSound 1968-71 Chevrolet Corvette Hermosa Radio

The RetroSound® Hermosa RetroRadio™ retains the original look of your classic 1968-71 Chevrolet Corvette while offering the most modern features available. Hermosa has built in Bluetooth® wireless connectivity, so you can safely make hands-free telephone calls through your audio system and also stream music from any smart phone.

The Hermosa features an AM/FM tuner. A rear mounted USB port allows you to play MP3/WMA/FLAC music files through your system using up to a 32GB flash drive, which is enough space for as many as 7000 songs. Two rear mounted auxiliary inputs for portable devices are also included. Featuring a 32,000 color display, that lets you customize the Hermosa to your vehicle's interior. A built-in 25 watts x 4 channel RMS amplifier provides plenty of power to your speakers, and dual RCA pre-outs let you add external amplifiers

- Built-in Bluetooth® for hands-free calling and wireless audio streaming
- AM/FM tuner with 30 pre-sets
- USB port for MP3/WMA music files via flash drive
- Two auxiliary inputs for portable devices
- Enhanced 32,000 color LCD display

- Dashboard
- Door Panels
- Etc.

Detroit Speed, Inc. Electric Headlight Door 1968-82 Corvette Kit

The Detroit Speed Inc. Electric Headlight Door Kit replaces the stock vacuum actuated system on all 1968-82 Corvettes.

This kit operates the headlight doors more reliably, smoother and in sync than the stock vacuum system. The complicated, failure prone and bulky vacuum accessories can all be eliminated. Vehicles with large engine cams with low vacuum signals will also benefit from this system since they are electronically controlled.
